Weather permitting; the westbound inside lanes on Tecumseh Rd. at Porter Ave. will be closed Monday, October 18, 2010 for approximately 4 days through Thursday October 21, 2010. Immediately following the west and east bound outside turn lanes will be closed for approximately 4 days through Monday October 25, 2010 at which time all work will be completed. The project was federally funded by the Oklahoma Department of Transportation (ODOT). ODOT's contractor Haskell Lemon is finalizing their repairs to the failing expansion joints at this intersection. Signs will be placed accordingly to direct the traveling public. Additional questions may be directed to the City of Norman Capital Projects Engineer, Lonnie Ferguson, at 366-5454.
